## David and Mark talk about their weekend

David: Hey, what'd you do this weekend?

Mark: I went to Seoul and met a new friend.

David: Oh, how'd it go?

Mark: Was alright. We went to Gyeongbok (경복궁) palace.

I didn't get my hopes up but the palace was actually really nice.

David: Yea, I've been there too. It's a great place to visit.

Mark: What'd you end up doing?

David: I was suppose to go shopping for a new laptop but that plan fell through.

Mark: Yea, the best laid plans.

David: Yea, maybe next weekend...
