## Sample Dialogue

Follow the dialogue between Jake and Lucas as they discuss a wager that took place.

Jake: You're not gonna believe what Ryan did.

Lucas: What happened?

Jake: Well we made a bet on the basketball game last week. Ryan was being cocky as usual so I told him put your money where your mouth is. We said we'd pay out on Friday since we usually meet for lunch anyways.

Lucas: Yea, then what?

Jake: Well Friday, came around and he never showed. He just left me high and dry with no phone call.

Lucas: Yea, that sounds like Ryan. So when'd you seen him again?

Jake: Well I call him later that day and left him a message. I said don't just leave me hanging like that, just cough up the money.

Lucas: Yea.

Jake: Anyways, won't be making any more bets with that guy again.
