Read along as Rachel and Laura discuss events at a party they held.

Rachel: I can't believe the party was so wild.

Laura: Yea, people really went bananas this time.

Rachel: Did you see the mess in the kitchen? How are we gonna get that cleaned up in time?

Laura: Are you kidding me? What about the living room? They basically destroyed our coffee table.

Rachel: Well, between the both of us we can replace the coffee table.

Laura: Yea but we're not out of the woods yet. We still have to get the house cleaned before Monday.

Rachel: We can call up some of the guys who came last night to help clean up.

Laura: Yea that's true. Guess its not all bad.
